

Fond Du Lac Aeromodelers Association

Our goal is to be the friendliest club for pilots and spectators in the Midwest. We welcome anyone with an interest in R/C aviation. Visit the website at www.FDLAA.com for information about membership, upcoming events, flight instructors, and weather conditions at the field. FDLAA meetings are held on the second Tuesday of each month at 6:00 pm (April through November).

MESSAGE FROM THE PRESIDENT

From Club President Dave Elsinger:

Hi All,

I would just like to remind everyone that we will be sending out ballots for Club officers & Board members soon. Also, please make sure everyone follows the Club rules & not fly west of the Field safety line.

Thanks,
Dave

PHOTOS FROM THE FIELD

Don Kunath made a maiden flight on his 1950s Byron Glassair Tuesday, Sept 22nd. Congratulations Don, that is a beautiful airplane! Thank you to Clyde Denzer for sending me the photos.

AIRPLANES AND MISCELLANEOUS ITEMS FOR SALE

Trailer for Sale – Contact John Flaherty at 920-922-3819. Inside dimensions 7ft 1 1/2 in. long, 5ft 5 1/2 in. wide, 24 in. deep. All 3/4" plywood. \$475.

Rage RC Staggerwing (Micro) 20" wingspan

This is a brand new replacement airframe that includes the aileron servo and the landing gear/flap servo that plug into a Spektrum UMX brick. Very popular for conversion to Spektrum, lots of info on RCGroups. Also includes twin brushed motors geared to the propeller shaft. One very small tear in the foam (barely visible) on the starboard side of the fuselage that could easily be glued. **Asking \$40 obo.** Retail \$71.99. Text or call Jeff at 920-517-9757
