

## Fond Du Lac Aeromodelers Association

Our goal is to be the friendliest club for pilots and spectators in the Midwest. We welcome anyone with an interest in R/C aviation. Visit the website at [www.FDLAA.com](http://www.FDLAA.com) for information about membership, upcoming events, flight instructors, and weather conditions at the field. Club meetings are called monthly (April to November) and announced by e-mail to current members.

### A MESSAGE FROM THE EDITOR

Hi Everyone,

It's been a while since the last newsletter in November, and I'm sure that everyone has the itch to be flying again. The indoor flying at the Riverside School gymnasium has concluded for the year and, as always, was a great time and a fun way to keep the "rust" from forming over the winter months. A big thank you goes to Bob Johnson for organizing the indoor flying dates again this year. I'm sure there are many new aircraft ready to emerge for maiden flights, and despite the mid-March blizzard, it shouldn't be long before seeing green grass again at the field.

Happy flying,  
Jeff Bergen  
Newsletter Editor

Please contact Jeff if there's something you would like to see in the newsletter.

## NEW YEAR'S DAY AND EARLY JANUARY FLYING

Clyde Denzer sent in these photos from the annual tradition of flying on New Year's Day and some other days in early January. The early season thaw provided some excellent days for flying. Thanks, Clyde!

## INDOOR FLYING AT RIVERSIDE SCHOOL GYM

Clyde Denzer shared these photos for the newsletter. This is always a lot of fun to do during the winter months!
